10 May 2011

To all concerned interests,

You are invited to attend the Sixth Annual Monongahela River Summit. The meeting will be held from 9:30AM to 3:30PM, Wednesday, May 18, 2011, at the Waterfront Place Hotel, in Morgantown, West Virginia.

This meeting is a forum for the discussion of river issues. Navigation, commercial and recreational usage and opportunities are to be addressed.

Our Monongahela River is a vital part of the inland waterways of the United States of America. From the colonial times to the present this river has helped our country grow and prosper.

We are striving to take advantage of the opportunities the Monongahela River provides.

Please join us to learn what has been happening in the past twelve months and what to expect in the coming year(s), then participate and contribute to the development of this great resource.

We look forward to seeing you.

Best Regards
